

Alphanode 2019

Geekathon: Rules

Geekathon is a tech-based, scored, group discussion for effective communicators in the tech world.

1. Participant:

- Each school can register a maximum of one student from class IX - XII for this event.

2. Topic:

- The topic will be revealed to the participants on the day of the event.
- Participants should be well informed of the conversations happening in the tech industry and keep themselves apprised of current affairs.

3. Materials:

- Any device that can be used to research is strictly **not** allowed. A participant should be equipped with only a paper and pen.

Any other queries should be directed to Param Kapur (paramkapur2002@gmail.com).
